

UT Martin Student Achievement Report

2022

The University of Tennessee at Martin evaluates success with respect to student achievement in a manner consistent with its mission. UT Martin measures student achievement in three different areas: Retention and Graduation Rates, Licensure Exam Pass Rates, and Job Placement Rates. These areas are consistent with annual reporting requirements for the Tennessee Higher Education Commission (THEC). All data presented here are compiled from either the annual THEC Fact Books (<https://www.tn.gov/thec/research/fact-book.html>) or UT Martin's Fact Books (https://www.utm.edu/departments/irp/statistical_reports.php).

I. Retention and Graduation Rates

University Goal 1: Six-Year Graduation Rate

The institution's six-year graduation rate will meet or exceed the moving average for the previous three years.

Graduation rate data reflect the percentage of students who began at UT Martin as first-time full-time freshmen and graduated from either UT Martin or another public institution in Tennessee within a six-year period. As shown in Table 1, the UT Martin 2015-2021 cohort exceeded the average for the previous three cohorts. Goal 1 was met.

Table 1. Six-Year Graduation Rate

Criterion	2012-18 Cohort	2013-19 Cohort	2014-20 Cohort	3-Year Mean	2015-21 Cohort
Six-Year Graduation Rate	56.1%	55.3%	62.6%	58.0%	59.8%

University Goal 2: Retention Rate

The institution's retention rate will meet or exceed the moving average for the previous three years.

Retention rate data reflect fall-to-fall retention of students who began at UT Martin in the first fall and returned to either UT Martin or another public institution in Tennessee in the fall semester of the following year. The data reported is obtained from the Tennessee Higher Education Commission Fact Book. As shown in Table 2, UT Martin fell below the average for the previous three cohorts in 2020-2021. Goal 2 was not met.

Retention Rate	79.2%	79.8%	79.5%	79.5%	74.7%

II. Licensure Exams

Performance on licensure exams will be evaluated by comparing the institutional pass rate with the institution's three-year moving average pass rates.

University Goal 3: Educational Program Licensure Exams

The institution will meet or exceed the UT Martin moving three-year overall average for K-12 educational program licensure exams.

The Tennessee Board of Education currently uses multiple exams for licensure. The choice of exam depends on the specific emphasis of the degree. The Tennessee Higher Education Commission reports an overall pass rate for these exams. This overall pass rate is used to evaluate UT Martin's performance on Goal 3 effective 2022.

As shown in Table 3, the 2020-21 overall pass rate on the K-12 Licensure Exams for UT Martin students exceeded the three-year average. UT Martin met Goal 3 in 2020-21.
