Executive Officer Candidate Bios

Captain's Council Party

President – Bailey Parker

Fellow UT Martin students,

My name is Bailey Parker, and I am excited to announce my candidacy for Student Government Association (SGA) Student Body President. Over the past two years, I have had the honor of serving our student body through SGA in various capacities, including as Freshman Council President and currently as Chief of Staff.

As Freshman Council President, I facilitated the planning and execution of the Freshman Council Retro Rewind where we collected around one thousand school supplies to be donated to Martin Middle School. As Chief of Staff I assist with the current Freshman Council and planning of a College Forum.

I am delighted to announce that I am running with the Captain's Council party, and our slogan is, "Empower, Elevate, and Engage." My goal if elected president is to ensure that every UT Martin student feels empowered, elevated, and engaged in their university experience. Together, we can create a vibrant and inclusive campus community where every voice is heard and valued.

Join me in this journey to make a positive impact on our campus and let's work together to empower, elevate, and engage! Thank you for considering my candidacy!

Gratefully,

Bailey Parker

Candidate for Student Body President

Vice President – Ella Self

Fellow UT Martin students,

I am honored to present myself as a candidate for the position of Student Body Vice President. These past couple of years, I have been able to serve my campus as a part of Freshman Council and the Campus Opportunities Committee Co-Chair where I was then able to move into my position as a Senator for the College of Engineering and Natural Sciences and Campus Opportunities Committee Chair.

My current role in SGA as Campus Opportunities Committee Chair has provided me with the opportunity to learn how to plan and run campus-wide events including Student Appreciation Week, the SGA Thrift Store, and the Student-Owned Small Business Fair. Various Student Appreciation Week events, like that of giveaways and campus drive-in movie nights, have provided me with a unique opportunity to interact with students and get their feedback on SGA events and programming.

I am pleased to announce I am running with the Captain's Council party, and our slogan is, "Empower, Elevate, and Engage." My vision for the role of Vice President is to ensure that every student attending UT Martin feels empowered, elevated, and engaged by their campus community. Together, we can make sure every voice is heard and valued.

Outside of SGA, I pride myself on my involvement within various organizations such as Zeta Tau Alpha Fraternity, University Scholars Organization, Student Alumni Council, RISE Scholars, and the League of Striving Artists. I have been able to serve my campus community as a SOAR (Student Orientation and Registration) Leader and as a PEP (Peer Enabling Peer) Leader. If granted the opportunity to serve as the Student Body Vice President, I would strive to make sure that every student across campus has the opportunity to feel a sense of belonging and community both within and outside of student organizations.

Thank you for considering my candidacy! Together we can work to make sure that every student is empowered, elevated, and engaged by their UT Martin experience.

I am proud to be running as part of the Captain's Council party, where our mission is clear: Empower, Elevate, and Engage. If elected, I will work tirelessly to ensure that every student's voice is heard and that SGA remains an accessible, responsive, and proactive force for positive change.
